Attorney at Law

Dear Mr. Fredericks:

Thank you so much for your time and attention in regard to my proposal about John Medica's garden. As I mentioned, the alternatives for potential public use and non-public funding are extensive.

I believe John's wishes are those I articulated, and that he needs someone like yourself, who he knows and trusts, to show him that his dreams can be realized.

If I, or SPACES, can be of any help, please feel free to call upon us. Also, please keep me informed about John's health.

Thanks.

Yours truly,

Seymour Rosen
Director
