Dear Sandy,

Here is some suggested text for the John Medica plaque #939.

John's birthday and a community event will be held on April 6, a date we would love for the dedication. It would be wonderful if the plaque could be ready for that date.

It looks like the Litto Damonte family is about ready to come up with a dedication date for the Litto plaque. We're trying to tie it to an exhibit about Litto in Napa County about the same time as the Medica date. I will call...

The landmark designation and the plaque have really meant a lot to John and have been significant to our preservation efforts.

Thanks.
