Dear Elizabeth,

Thank you for your generous \$10,000.00 donation to the American Land Conservancy (ALC) to support the acquisition of the East-West Ranch, on behalf of the Art Beal Foundation and in memory of Art Beal.

For nine years, ALC has been dedicated to saving special places like the ranch. By working with communities, private landowners, local land trusts, public land agencies and elected officials, ALC has helped to preserve and protect over 100,000 acres of land and water rights for inclusion into public parks, forests, wildlife refuges, riverways and greenways. I am confident the East-West Ranch will soon be added to this list.

Our purchase of the East-West Ranch will be successful only because of the support of people like you. Thank you again and I hope that you will continue to champion ALC's acquisition and preservation of the ranch so that future generations can enjoy it as we do today.

Sincerely,

Harriet Burgess
President
